Heard learned counsel for the parties and perused the material placed before me.

By way of this writ petition, the petitioner has raised a grievance that certain land grabbers of Mansarovar are pressurizing him into selling his flat wherein he is residing. His office is also situated therein. It is stated that for last about 2-3 years these persons have started building pressure on the petitioner to vacate the flat and subjecting him to all sorts of harassment. When the petitioner did not bow down to their wishes, he was threatened with dire consequences on 14/1/2007 at

11.00 p.m. and was asked to vacate the flat otherwise they would forcibly evict him. The petitioner submitted complaint to the Circle Officer Mansarovar area on 15/1/2007 asking for protection which he marked to the concerned Station House Officer but, till date neither any investigation on his first information report has been made by the investigating officer nor has he still been provided protection from such land grabbers. On 17/1/2007, at about 2.30 a.m., door of the premise of the petitioner was forcibly broken open by such persons and there is every likelihood that the petitioner and his family members would be forcibly evicted from his house. The petitioner immediately went to the Police Station Mansarovar for lodging another first information report but the police has not lodged such report. The petitioner alleged that he received two threatenings calls first on 15/1/2007 and second on 17/1/2007 yet, no action has been taken.

Having heard learned counsel for the parties and perusing the material on record, I find that

instead of directly entertaining this writ petition, it would be appropriate that the petitioner submits a detailed representation to the Inspector General of Police, Range Jaipur District Jaipur who shall look into the matter and if necessary, provide protection to the petitioner and shall ensure that the fair investigation into the case is conducted at the earliest possible opportunity.

With these observations, the writ petition is disposed of.
